

Half-day workshop Programme

- 9.00/13.00 **Welcome and introductions**
- 9.15/13.15 **Introduction to CPET**
- 9.30/13.30 **Background**
An introduction to some of the underlying issues – illegal logging, types of timber products etc.
- 9.45/13.45 **Timber policy**
The UK Government's timber procurement policy will be introduced, along with the guidance notes and other supporting documentation.
- 10.00/14.00 **Definitions**
The words 'timber', 'legal' and 'sustainable' have slightly different (and potentially significantly so) meanings to different people and organisations. The definitions in the context of the UK Government's timber procurement policy will be presented.
- 10.15/14.15 **Category 'A' Evidence**
Forest Certification Schemes will be briefly discussed, along with the schemes currently accepted under the policy. Participants will be shown what certificates look like.
- 11.00/15.00 **Break (coffee/tea)**
- 11.15/15.15 **Category 'B' Evidence**
A non-certified supply chain example will be shown and the supporting Category B framework documents will be introduced.
- 12.00/14.00 **Summary**
- 12.15/14.15 **Q&A**
- 12.30/16.30 **Close**
